EXPERIENCE

Schneider Electric, West Kingstown, RI

2012 - 2015

Production Marketing Coordinator (2015), Trade Show Designer (2013 - 2015), Production Designer (2012 - 2013)

- Designed new development event/tradeshow graphics.
- Upsized images and illustrations, ensuring print resolution standards.
- Localized web and print advertisements.
- Assisted in the integration of assets from MediaBank to Telescope.
- Ensured proper metadata was used based on company standards.
- Monitored files uploaded by vendors in MediaBank and transferred those files into Telescope.
- Enforced metadata standards to vendors who uploaded files into Media Bank.
- Supported global web and print advertising placements.

Universal Properties Group, West Warwick, RI

2011 - 2012

Multimedia & Web Graphic Designer

- Designed, created, and built impactful websites averaging 50 pages for three separate businesses.
- Animated 20+ flash banners to ensure web presence.
- Generated advertising campaigns' graphics.
- Monitored and reported daily website traffic using Google Analytics.
- Maintained three online advertising campaigns using Google Adwords, Microsoft Advertising, and Facebook Ads.

U.S. Air Force, England, Qatar, Iraq, United States

2004 - 2010

Munitions Controller (2009 - 2010), Munitions Crew Chief (2008 - 2009), Munitions Crew Member (2006 - 2008)

- Served as a central control point for all munitions movements in support of seven different aircraft types, during Operation Enduring Freedom/Operation Iraqi Freedom war efforts.
- Maintained personnel Status of 48+ Air Force personnel for workload to staff capabilities using SharePoint Software, ensuring full munitions mission support.
- Monitored real time status of 120+ general-purpose bomb trailers, updated status using Microsoft Excel, Microsoft Word, Combat Ammunition System, as well as physical chart planning.
- Organized, developed, supervised inbound and outbound storage of transient munitions on a daily basis, aided outside agencies to maintain 100% compliance with base regulations.
- Conducted and maintained weekly safety briefings for 20+ Air Force Personnel, and maintained safety documentation.
- Supervised 14 Crew Members.
- Developed training day schedules for 20+ Air Force personnel, reinforced job responsibilities.
